Carla is celebrating 8 years of success at her uniform store! "I saw a need for a unique shop where medical professionals can enjoy the latest styles and selection, combined with discounted prices, exceptional service and friendly atmosphere!" "Professionals want to be stylish and they are looking for the latest trends in scrubs. My staff and I enjoy the friendships we establish with our customers. We offer rack sales and fashion shows at facilities and our customers often do the modeling for us!"

The Scrub Club has the areas largest selection of scrubs (Dickies, Baby Phat, Cherokee, Landau), as Chef Wear/Aprons, EMT/Paramedic supplies, shoes, stethoscopes and accessories.

Carla is active in donating to the community. "I believe that by giving to those in need, that I will continue to be blessed!"
